

RED DRAGON DARTS BACKS 1ST ASIAN DARTS PRO ON BDO TOUR

Rohit "Rock It" Rabadia first started playing darts in 1995 at the age of 15. He threw his first darts at the Shree Muktajeevan Sports Academy based at the Swaminarayan Temple, Golders Green, London.

Shree Muktajeevan Sports Academy was established in 1984. It started life as a youth club, keeping children off the streets and providing them with a safe place to play sports and socialise. Every year they organise tournaments in darts, table tennis, pool, netball, football, cricket and netball. The tournaments finals are held on Christmas Day. Rohit entered his first darts tournament in 1996, winning both the singles and the doubles title. Away from darts for 11 years he re-entered the tournaments in 2007 and 2008, again winning the singles titles both years running. In 2009 he lost in the finals of the singles but won the doubles title.

After much encouragement from friends and family, Rohit joined the British Darts Organisation (BDO) circuit playing at tournaments all over the UK. Rohit is the first Kanbi to be represented in professional darts and he aims to make a name for Asians in the darts circuit. By playing in UK tournaments he will build up ranking points and get the chance to play in televised competitions with the likes of Phil Taylor, Kevin Wade, Simon Whitlock to name a few.

He has now joined the Conway 4 squad and is playing for them in the Men's Middlesex Super League which takes place every Wednesday. He has also joined Conway's Pirates who play in the Harrow & District Charity Dart League which is held every Thursday. Rohit also plays on Mondays for INNISFREE in the London Wexford Darts League.

This year Rohit has qualified for the regional finals for the Professional Darts Corporation (PDC) UK Open, finishing in the last 32 of the Coventry regional finals. He has also played in the Dortmund Open in Germany finishing in the last 128 with over 400 entries. Upcoming events are in Switzerland, Poland and Canada to name a few.
